Pack Quantity: 1

#### Overview

The JLS Aluminium water bottle is a small & slim aluminium bottle with superb JLS print and branding. This water bottle has a top you can unscrew to fill in, it holds up to 400ml has a secure pull-top sports cap and a rotating spout for easy access and to keep spillages to a minimum. It is a ideal gift for all JLS favourite school diners with the perfectly matching JLS lunch bag. Wash and care label attached and not recommended for children under 36 months. The JLS Aluminium water bottle is an official licenced JLS product. 707226615123
